## Water Polo

The Esperanza Aquatics Booster Club is pleased to announce the kick-off of our 2008 season. It has been a fun summer with a lot of great games. I highly urge all parents to come out and join us on the pool deck for all of our games during the season. High school only comes around once for each student and then it's gone! I've enjoyed watching our players for the last three years and will sorely miss it when our kids graduate. Let's support our athletes and coaches.

We will have our Kick-Off Barbeque and Registration on **Saturday, August 23**, on the pool deck. Registration will be from 10am to 11am. As a special treat this year, our Head Coach, Galen Diaz will have our team scrimmage for us. Coach Diaz will be on the PA system explaining the rules, fouls and strategies of water polo. This will really help all of us understand the game a lot better. A few of our Board members will address the audience with some very helpful information concerning the whole year. Lunch will be provided. This is a very special day that you won't want to miss! It was our Kick-Off Barbeque three years ago that inspired our whole family to participate.

**Booster fees:** Fees for this water polo season are \$325 and payable to EHS Aquatics. This fee covers the game suit, game day shirt, weightlifting clothes, two team meals, tournament fees, equipment (everything you see on the pool deck,) the Kick-Off Barbeque and our Awards Banquet (player only, parents and guests buy additional tickets.)

Included in this packet is an "Athlete Sponsorship" letter that your athlete can make copies of and fill in his name. These can be used to solicit help from others in meeting each athlete's Booster fees.

**Transportation form:** The cost will be determined by PYLUSD Transportation. It has been around \$65. This form must be completed and paid at the barbeque.

**Medical emergency cards:** Must be completed and turned in at the barbeque. Be sure to bring any pertinent info with you to help fill out the form.

**Sponsorships:** Program sponsorships help us a great deal in offsetting expenses and are welcome throughout the year. If you know of anyone or a business that can help us, we have a form with the requisite Tax ID# for their use. This is in the packet.

**Snack Shack:** As a service to our athletes and our spectators, we run a snack shack. Please volunteer an hour or two to help us in this endeavor. We will discuss this at the barbeque.

I look forward to seeing all of you on our pool deck for the Kick-Off Barbeque, **Saturday, August 23 at 10am**, and at all of our games. We have a great group of kids and parents!

"Where Excellence is a Tradition"

Hello,

My name is \_\_\_\_\_. I've been selected to participate on the Esperanza Men's Water Polo Team. It is an honor and a privilege for me to represent my school. In order to help offset the expenses of a high school sports team, each of our team members must help with their "fair share" for operating costs. I am sending you this letter in hopes that you can give a supporting hand. I would appreciate any donation that you can offer. All donations are tax-deductible.

Thank you very much for your generous contribution and support.

# Esperanza High School Aquatics 2008-2009 Annual Fund
